Several issues were raised.

Fly-tipping – The Chairman confirmed that he had raises this again with Rotherham MBC. Due to issues relating to data protection and how the data was collated it was not possible for Rotherham MBC to provide a figure on how many successful prosecutions there had been in the Parish in recent years, it was explained.

Over-hanging Trees – An update was provided by the Clerk. He had been in contact with StreetPride service at Rotherham MBC. They had looked into this and considered that the trees located through the village don’t currently pose any form of obstruction. They had, however, asked Rotherham MBC’s Trees and Woodlands team to see if they could take a look at the trees themselves and carry out an inspection to ascertain their safety. They would also be resending letters to the landowners that run adjacent with Ulley lane to try once again to see if they will arrange works for the trees to be cut back.
Straw on the road – It was confirmed that this had been raised with Rotherham MBC and they had agreed undertaken to additional sweeps and inspections. The Chairman stated that this remained an issue in parts of the Parish.

41/18 To receive a report on crime and anti-behaviour issues - The latest recorded figures from the Police recorded 2 crimes (2 domestic and 1 public Order) and 1 incident of anti-social behaviour in the Parish between 19th July 2018 and 19 September 2018. Reference was made to a number of incidents that had taken place in recent weeks.

44/18 - To consider and agree a Volunteer Policy for the Council and associated documents.

It was explained that a revised volunteer policy and associated documents have been prepared for following comments received on the approved one. These were discussed. Reference was made to the need to keep them simple and easy to read. A discussion then also took place about their implementation. It was agreed that a special meeting of the working party of the Council should take place to consider and agree how these should be best implemented.

45/18 To consider the latest Inspection Report for Poynton Avenue Plan Area.

A copy of the play area inspection report carried out in July 2018 for the Poynton Area Plan Park was circulated and considered. It was noted that it had not raised any significant concerns with the condition of the play equipment in the Park, though did highlight a few areas of improvement.

Reference was made to a tree in the Park which could pose a risk. The Clerk was asked to arrange an inspection by a suitable qualified person to establish its condition and the extent to which it posed a risk.

Resolved: that the Inspection report for Poynton Avenue Play Area be noted.

46/18 To consider the Council’s involvement in Rotherham MBC’s - Town & Parish Council Winter Partnership Scheme 2018/19.
This invitation by Rotherham MBC to join the scheme was considered. It was noted that volunteers from community would be required if it was to be successfully implemented. It was agreed to initially seek these through an advert in the parish newsletter.

Resolved: that the Council agrees to take part in Rotherham MBC’s Town & Parish Council Winter Partnership Scheme for 2018/19.

47/18 To consider and agree the Council’s Data Protection Policy, Record Management Policy and Associated Documents (see attachments 9.1 to 9.4).

It was explained these had been developed in response to new legislative and other requirements have meant that it is good practice for a Parish Council to have a Data Protection Policy and associated Guidance. They were based on good practice but had been tailored to the needs of the Council.

Resolved: that the Council’s revised Data Protection Policy, Record Management Policy and Associated Guidance be approved.

48/18 To receive an update on the External Auditor’s Report in the Public Interest and consider next steps.

The clerk confirmed that the External Auditor’s Report in the Public interest had been received. However, it had been received too late to include as a substantive agenda item. The next steps was to arrange a public meeting held within one month of receiving it, and at this meeting the Council must decide what action to take in response to our recommendations. This was in accordance with legislative requirements. Members were asked to provide their availability for a public meeting in the next two weeks as a matter of urgency.

The Clerk confirmed that a copy of the report had been placed on the website.

He was asked if the Council had received an invoice for the costs associated with the Audit. He confirmed that the Council had. It was asked if this could be itemized, which he promised to do obtain.
