Minutes of the Ulley Parish Council Meeting held on 27 March 2019,
Village Hall – 7.00 pm

Chairman – Cllr Peter Hubbard – Chairman of Ulley Parish Council.

Other Councillors in attendance – Richard Steel, Ian Stones, Richard Robson and Patricia Smith

Clerk – Andrew Towlerton.

Present – 3 members of the public.

84/18 To receive and approve any apologies for absence - There was none.

85/18 To receive any questions from members of the Public

Several issues were raised.

Parking around Ulley Country Park - Reference was made to the adverse impact that the re-introduction of parking charges around Ulley Country Park had on the surrounding area, and in particular Reservoir Road around the bridge. This was unacceptable. It was resulting in indiscriminate and dangerous parking. There was a particular issue with people parking on the white line over the bridge, which in part may be due to drivers not being aware that it is an offence to park on a white line and parking on both sides of Reservoir Road narrowing the carriage way to a dangerous extent. It was agreed that the Council should write to Rotherham MBC asking them to consider revisiting the use of a white line to control parking, the introduction of controlled parking on one side Reservoir Road around the bridge. And removing the charges for parking at the country park.

Ulley Neighbourhood Watch – It was asked if this was still operating. It was confirmed that it was.

New pink bin outside the Parish hall – It was noted that this had not been delivered. The Clerk was asked to chase this up.
Ward Councillor Meeting – It was reported that the January meeting had been cancelled.

Use of resident’s garage for storage of equipment by the Parish Council - A question was raised about this. The Clerk confirmed that the Parish Council had received correspondence on this issue. No change in the current arrangements was anticipated.

86/18 Declarations of interest and dispensations - There were none recorded or sought.

87/18 – To approve, sign and date the minutes of the Parish Council meetings held on 30 January 2019. A few minor points of clarification were discussed and agreed.

Resolved: that subject to these minor amendments the minutes of the Parish Council meeting held on 27 January 2019 be approved and duly signed by the Chairman.

88/18 – To receive information on the following on-going issues and decide further action where necessary -

- To receive a report on crime and anti-behaviour issues – the latest update from the Police was provided. It was noted that there had been a marked increase in incidents in recent weeks. It was reported that many residents were aware of this. Councillors were asked to highlight the need for members of the community to be vigilant
- Drainage Ditch/Telephone Box Issue – The Clerk was still awaiting a reply from the landowner. He agreed to chase this up.
- New seat for the see-saw in Recreation Ground – The Chairman confirmed that this had been delivered and was arranging its installation.

89/18 - Recreation Ground Lease and next steps

Transfer of the lease to the Parish Council from Rotherham MBC including budget provision.

As part of the transfer agreement, the Council would need to arrange for the formal transfer of the lease from Rotherham MBC and the Parish Council with the Land Registry. This would need to be done by a suitably qualified person or organisation. The Clerk said that he had approached the solicitors that had undertaken the transfer of the parish hall to Hellaby PC from Rotherham MBC when he was Clerk there. They had indicated in principle that they would be willing to do it. He agreed to seek formal quotes for the next meeting of the Parish Council.

90/18 - Maintenance of the trees, including the outcomes from two inspections by Rotherham MBC and Andersons of their condition, and budget implications.

It was reported that the trees had been inspected by two bodies (Rotherham MBC and Andersons) who indicated that some works were required, though they differed on the scope and nature of the required works. Andersons had offered to undertake a further inspection in
April. It was agreed to consider their recommendations (including quotes) in more detail at the next meeting of the Parish Council.

91/18 - To confirm the process for the quarterly visual inspections.

The Chairman confirmed that he had received confirmation from the company (The Play Inspection Company Ltd) who undertake the inspections that this was a full inspection including the equipment as well as the ground more generally. Also, this would meet the requirements of the Council’s insurers. He was still awaiting confirmation from Rotherham MBC for the cost of The Play Inspection Company Ltd for providing this service for the coming financial year.

92/18 - To consider the findings from the latest quarterly inspection

The findings of the latest play area inspection report for the Poynton Avenue Park were circulated and considered. They did not raise any significant concerns with the condition of the play equipment, though did highlight a few areas of improvement.

This was considered and a number of suggestions made.

Resolved: that the Risk Assessment for 2019/2020 be approved

Resolved: That the Council respond to the consultation welcoming the continued use of the village hall as a polling station.

99/18 - To consider a request from Friends of Ulley Country Park for financial support for an arts festival

This was the subject of much discussion. It was agreed that due to the challenging financial situation for the coming year the Council was unable to make a financial contribution. The Chairman agreed to speak to the Secretary of Friends of Ulley Country Park.

100/18 To receive a verbal and written report (see Attachment 16.1) on financial matters within the Council including bi-monthly Budget Update and consideration
