Dear Mrs Taylor

Re: Halifax Fund Grant – Repayment of Village Hall Loan.

On behalf of the Chair and members of the Ulley Millennium Trust I am writing to the Parish Council to thank you for awarding us the grant to pay off the outstanding loan on the Village Hall. The Village Hall is a significant community asset to the village, being the only venue suitable to hold many community and family events. Settling the loan for the refurbishment of the Hall allows the Trust to focus on maintaining the Hall to the required standard, and on the planning and running of community events.

We are very pleased that the future of the Hall has been secured for the Village. Thank You.

Yours Sincerely

Sue Hubbard

Secretary, Ulley Millennium Trust
